A Professional, without the OWNER's prior approval, may authorize or direct the CONTRACTOR to make minor changes in the Work which are consistent with the intent of the Construction Documents and which do not involve a change in Project cost, time for construction, scope, or approved design elements, and the CONTRACTOR shall promptly carry out such changes. Any such minor changes shall be implemented by written field order and executed by the CONTRACTOR.

9.4 Administration of Changes

A Professional will administer and manage all change order requests and change orders and will prepare required drawings, specifications and other supporting data as necessary in connection with minor changes, change order requests and change orders. The Professional shall submit such documents to the OWNER for review and approval prior to implementation.

9.5 Compensation for Changes

With respect to all change order requests involving credit to the OWNER or additional compensation to the CONTRACTOR, the CONTRACTOR shall (i) obtain from subcontractors and suppliers the best possible price quotations; (ii) review such quotations to ascertain whether they are reasonable; (iii) prepare an itemized accounting together with appropriate supporting data, including reasonable expenditures by, and savings to, those performing the Work involved in the proposed change; and (iv) provide a reasonable price quotation to the designated Professional.

9.5.1 If price quotations for change order requests are determined by the Professional to be unreasonable, the CONTRACTOR shall, in writing, justify said quotations or provide additional back-up materials, if after review of the additional information the Professional determines the quotation is unreasonable, the OWNER may require the subject work be performed on a time and material basis.

9.5.2 The CONTRACTOR and its subcontractors and suppliers shall be allowed no additional compensation for any costs, fees or expenses incurred in performing services already required by this Agreement, and in connection with changes, shall not be entitled to additional reimbursement for home-office, other non-job-site or indirect overhead expenses, or tools necessary for construction.

9.5.3 It is the responsibility of the CONTRACTOR to review and approve all pricing of additional work required of its subcontractors and suppliers.

9.6 Performance Of Change

Upon receipt of a field order or change order that has been approved by the OWNER, changes in the Work shall be promptly performed. All changes in the Work shall be performed under applicable conditions of the Construction Documents

9.7 Disputes Regarding Changes

9.7.1 Regardless if there is a dispute (i) that a change has occurred; (ii) whether a change in the Work will result in adjustment of compensation or applicable schedules; or (iii) as to the amount of any adjustment of compensation or applicable schedules, the change shall be carried out if the OWNER so directs. No claim shall be prejudiced by performance of the Work so long as the OWNER is timely notified of the claim in writing prior to performance of the Work which is the subject of the dispute and the party disputing the decision of the

OWNER recites the reasons for its dispute in the written notice. Failure to notify the OWNER in writing shall constitute a waiver of any claim resulting from the change.

- 9.7.2 In the event a change order request is approved by the OWNER in the absence of an agreement as to cost, time, or both, the appropriate Professional will (i) receive and maintain all documentation pertaining thereto; (ii) examine such documentation on the OWNER's behalf; (iii) take such other action as may be reasonably necessary or as the OWNER may request; and (iv) make a written recommendation to the OWNER concerning any appropriate adjustment in the Construction Price or time.

9.8 Necessity for Signed Writing

No act, omission, course of conduct, or course of dealing shall alter the requirement that change orders shall be in writing and signed by the OWNER, and that change orders are the exclusive method for effecting any adjustment to compensation or applicable schedules. The CONTRACTOR understands and agrees, on behalf of itself and its subcontractors and suppliers, that neither compensation nor applicable schedules can be changed by implication, conduct, oral agreement, or unwritten change order. Express written notice is a non-waivable condition precedent to CONTRACTOR's right to recover under this Article 9 and this Agreement generally.

ARTICLE 10 - FINANCIAL CLAIMS AND LIENS

10.1 Notification Regarding Liens

The CONTRACTOR shall immediately notify the OWNER and Professional(s), both orally and in writing, of the nature and details of any mechanics' liens, construction liens, CONTRACTOR's trust fund claims, or claims of any type made by anyone against the OWNER, the Professional(s), the CONTRACTOR or any subcontractor or supplier of any of them or against the Project whether or not such claims arise from the Work.

10.2 Discharge Of Liens

The CONTRACTOR shall take all action necessary to obtain the prompt discharge of any liens or claims filed against the Project. If any lien or claim filed against the Project is not discharged and released by the claimant the CONTRACTOR shall, within a reasonable period of time, but in no event more than fourteen calendar days after written request from the OWNER and at its own cost promptly obtain discharge and release of, or indemnity for, such lien or claim by providing or filing, as appropriate, the requisite bond. If the CONTRACTOR fails to have any such lien or claim discharged and released, or fails to provide or file the requisite bond, the OWNER shall have the right to pay any sums necessary to obtain such a discharge and release, and the CONTRACTOR shall bear all expenses incurred by the OWNER in so doing.

10.3 Lien Releases

Notwithstanding the use of the lien release documents herein, the City of Oviedo relies upon the provisions of Section 255.05, *Florida Statutes*, relating to bonds of contractors constructing public buildings and public works; the fact that the term "owner" does not include "any political subdivision, agency, or department of the state, a municipality, or other governmental entity" in the construction lien law of Florida; and the general provision of controlling law that the public property of the City

cannot be made subject to a lien without its consent which occurs specifically in accordance with controlling law (and the City affirmatively does not so consent).

ARTICLE 11 – OWNER’S CONSULTANT(S), PROFESSIONAL(S) AND CONSTRUCTION ADMINISTRATION

11.1 Owner's Designated Professional Representative

Unless otherwise directed by the OWNER, one designated Professional shall act as the OWNER's representative from the effective date of this Agreement until one year from the date of achievement of Substantial Completion.

11.1.1 The Professional so designated will be the OWNER's design representative during performance of the Work and will consult with and advise the OWNER on all design and technical matters.

11.1.2 The designated Professional will act as initial interpreter of the requirements of this Agreement and as the OWNER's advisor on claims.

11.2 Professional Site Visits

The Professional(s) will visit the site with sufficient frequency for familiarization with the progress and quality of the Work and to inspect the Work to determine compliance of the Work with (i) this Agreement, including approved shop drawings and other submittals; (ii) the Construction Schedule; and (iii) applicable laws, statutes, building codes, rules or regulations of all governmental, public and quasi-public authorities and agencies having or asserting jurisdiction over the Project. No site or construction work that is to be covered shall be covered until the Professional has inspected the Work and provided a written report of the inspection to the OWNER.

11.3 Professional Rejection of Work

The Professional(s) may disapprove or reject Work which does not comply with (i) this Agreement including approved shop drawings and other submittals; or (ii) applicable laws, statutes, building codes, rules or regulations of any governmental, public and quasi-public authorities and agencies having or asserting jurisdiction over the Project.

11.4 Professional Evaluations

11.4.1 The Professional(s) will review and evaluate the results of all inspections, tests and written reports required by this Agreement and by any governmental entity having or asserting jurisdiction over the Project. The Professional(s) will take appropriate action on test results, including acceptance, rejection, requiring additional testing or corrective work, or such other action deemed appropriate by the Professional(s). The Professional(s) will promptly reject Work, which does not conform to and comply with testing requirements.

11.4.2 The Professional(s) may require inspection or testing of any work in addition to that required by this Agreement or governmental entities having or asserting jurisdiction over the Project when such additional inspections and testing is necessary or advisable, whether or not such Work is then fabricated, installed or completed. The Professional(s) will take appropriate

action on all such special testing and inspection reports, including acceptance, rejection, requiring additional testing or corrective work, or such other action deemed appropriate by the Professional(s).

11.5 Professional Submittal Activities

The Professional(s) will review and approve, reject or take other appropriate action on submittals such as shop drawings, product data, samples and proposed equal materials or equipment and requested substitutions within not more than fourteen calendar days, and will not approve any submittals unless such submittals conform with (i) the Project design concept; (ii) this Agreement; and (iii) the OWNER's budgeted Total Project Construction cost. A Professional's review of submittals shall not constitute final acceptance of materials or equipment furnished or installed if such materials or equipment should be defective or not as represented by approved submittals or as otherwise required by the Construction Documents. The CONTRACTOR remains responsible for details and accuracy, for confirming and correlating all quantities and dimensions, for selecting fabrication processes, for techniques of assembly, and for performance of the Work.

11.6 Professional Interpretations

A Professional will, when requested to do so in writing by the CONTRACTOR, promptly and so as to cause no unnecessary delay, render written or graphic interpretations and decisions necessary for the proper execution of the Work. A Professional's interpretations and decisions relating to artistic effect shall be final if not inconsistent with this Agreement.

11.7 Professional Change Order Activities

The Professional(s) will consult with and advise the OWNER concerning, and will administer and manage, all change order requests and change orders on behalf of the OWNER.

11.8 Professional Pay Application Activities

The appropriate Professional will review applications for payment, including such accompanying data, information and schedules as the Professional requires, to determine the amounts due to the CONTRACTOR and shall authorize payment by the OWNER to the CONTRACTOR in writing. After the Work is determined to be finally complete and the Professional determines that the CONTRACTOR has completed the Work, the Professional will determine whether the CONTRACTOR is entitled to final payment, and if so will so certify to the OWNER in writing.

11.9 Professional Relationship To Contractor

The duties, obligations and responsibilities of the CONTRACTOR under this Agreement shall not be changed, abridged, altered, discharged, released, or satisfied by any duty, obligation or responsibility of any Professional. The CONTRACTOR shall not be a third-party beneficiary of any agreement by and between the OWNER and any Professional. The duties of the CONTRACTOR to the OWNER shall be independent of, and shall not be diminished by, any duties or obligations of any Professional to the OWNER.

ARTICLE 12 - INSPECTION, CORRECTION OF WORK AND PROJECT CLOSE OUT

12.1 Substantial Completion

Substantial Completion of the Work shall be deemed to have occurred on the later of the dates that the Work passes a Substantial Completion inspection, and the required Substantial Completion documentation and items have been produced.

- 12.1.1 When the CONTRACTOR believes that the Work is Substantially Complete, it shall notify the OWNER and the appropriate Professional that its work is ready for a Substantial Completion inspection.
- 12.1.2 At or prior to the Substantial Completion inspection, the CONTRACTOR will prepare and furnish to the Professional a Declaration of Substantial Completion, which at a minimum must:
 - (i) Contain a blank for entry of the date of Substantial Completion, which date will fix the commencement date of warranties and guaranties and allocate between the OWNER and the CONTRACTOR responsibility for security, utilities, damage to the work and insurance;
 - (ii) Include a list of items to be completed or corrected and state the time within which the listed items will be completed or corrected; and
 - (iii) Contain signature lines for the OWNER, the CONTRACTOR and the Professional.

The Professional will obtain and review Substantial Completion documentation and items, and will inform the CONTRACTOR of any deficiencies.
- 12.1.7 When the OWNER, the CONTRACTOR and the appropriate Professional agree that the Work has passed the Substantial Completion inspection and the CONTRACTOR has

produced the required Substantial Completion documentation and items, they shall each sign the Declaration of Substantial Completion declaring the work Substantially Complete and establishing the actual date of Substantial Completion. The Declaration of Substantial Completion shall also include a list of and timeline for the completion of Work needing completion and correction.

12.2 Final Completion

Final Completion of the work shall be deemed to have occurred on the later of the dates that the Work passes a Final Completion inspection and that the CONTRACTOR has produced all required Final Completion close-out documentation and items. Final Completion shall not be deemed to have occurred and no final payment shall be due the CONTRACTOR or any of its subcontractors or suppliers until the Work has passed the Final Completion inspection and all required Final Completion close-out documentation and items have been produced to the OWNER by the CONTRACTOR.

12.2.1 When the CONTRACTOR believes the Work is Finally Complete, the CONTRACTOR shall notify the OWNER and the appropriate Professional that the Work is ready for Final Completion inspection.

12.2.2 Upon receipt of such notification from the CONTRACTOR, the Professional will coordinate with the OWNER and the CONTRACTOR a date for Inspection of the Work to determine whether the Work is Finally Complete.

12.2.3 At the Final Completion inspection to determine whether the work is finally complete, the Professional will:

- (i) Inspect the Work;
- (ii) Determine whether all items on the list included with the Declaration of Substantial Completion have been satisfactorily completed and corrected;

- (iv) Determine whether required inspections and approvals by the officials having or asserting jurisdiction over the Project have been satisfactorily completed; and
- (v) Determine, in consultation with the OWNER, whether the Work is Finally Complete.

12.2.4 If the work is not Finally Complete, the CONTRACTOR shall continue to prosecute the Work, and the inspection process shall be repeated at no additional cost to the OWNER, until the Work is Finally Complete.

12.2.5 On or prior to the date of Final Completion, the CONTRACTOR shall deliver to the appropriate Professional the following Final Completion close-out documentation and items:

- (i) All operating and instruction manuals not previously produced during commissioning and required maintenance stocks;

- (vii) All written warranties and guarantees relating to the labor, goods, products, materials, equipment and systems incorporated into the Work, endorsed, countersigned, and assigned as necessary;

12.2.6 The appropriate Professional will review and determine the sufficiency of all Final Completion close-out documentation and items required for Final Completion which are submitted by the CONTRACTOR, and will immediately inform the CONTRACTOR about any deficiencies and omissions.

ARTICLE 13 - CONTRACTORS WARRANTIES AND GUARANTEES

13.1 One-Year Warranty

In addition to the warranties and guarantees set forth elsewhere in this Agreement, the CONTRACTOR, upon request by the OWNER or the Professional, shall promptly correct all failures or defects in the Work for a period of one year after the actual date of Substantial Completion.

13.1.1 The CONTRACTOR shall schedule, coordinate and participate in a walk-through inspection of the Work one month prior to the expiration of the one-year correction period, and shall notify the OWNER, the appropriate Professional(s), and any necessary subcontractors and suppliers of the date of, and request their participation in, the walk-through inspection. The

purpose of the walk-through inspection will be to determine if there are defects or failures which require correction.

13.1.2 Should the CONTRACTOR fail to promptly correct any failure or defect, the OWNER may take whatever actions it deems necessary to remedy the failure or defect and the CONTRACTOR shall promptly reimburse the OWNER for any expenses or damages it incurs as a result of the CONTRACTOR's failure to correct the failure or defect.

13.4 Non-Exclusivity And Survival

The warranties and guarantees set forth in this Article shall be in addition to all other warranties, express, implied or statutory, and shall survive the OWNER's payment, acceptance, inspection of or failure to inspect the work, and review of the Construction Documents.

13.5 Non-Limitation

Nothing contained in Paragraph 13.1, shall be construed to establish a period of limitation with respect to the CONTRACTOR's obligations under this Agreement. Paragraph 13.1 relates only to the CONTRACTOR's specific obligations with respect to the Work, and has no relationship to the time within which the CONTRACTORs contractual obligations under this Agreement may be enforced, nor to the time within which proceedings may be commenced to establish the CONTRACTOR's

liability with respect to any contractual obligations pursuant to Paragraph 13.1 or contained elsewhere herein.

13.6 Commencement Of Obligations

Unless otherwise specified, all of the CONTRACTOR's warranty and guaranty obligations, including the time period(s) for all written warranties and guarantees of specifically designated equipment required by the Construction Documents, shall begin on the actual date of substantial Completion.

14.3 Owner Review Of Documents

The OWNER shall review documents prepared by the CONTRACTOR in a timely manner and in accordance with schedule requirements. Review by the OWNER shall be solely for the purpose of determining whether such documents are generally consistent with the OWNER's intent. No review of such documents shall relieve the CONTRACTOR of any of its responsibilities.

14.4 Status Of Owner

The OWNER shall not have control or charge of construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the work, nor shall the CONTRACTOR, for any of the foregoing purposes, be deemed the agent of the OWNER.

14.5 Owners Utilities

The OWNER shall provide water, gas and electrical energy only as they exist at the Site prior to the start of construction. The CONTRACTOR shall be responsible to provide and pay for connections to, extensions from and means of using these utilities.

14.5.1 The OWNER will pay utility company bills for water, gas and electrical energy which is required for the Project and which passes through the OWNER's meters. However, the OWNER shall not pay for (i) water which is expended without proper regard for ecological and conservation considerations; (ii) electrical energy expended in electric heating devices; or (iii) utilities for CONTRACTOR's field offices.

14.5.2 Acceptance by the CONTRACTOR of the use of the OWNER's water, gas and electrical energy constitutes a release from the CONTRACTOR to the OWNER of all claims and liability for any damages or losses which may be incurred by the CONTRACTOR as a result of water, gas and electrical energy outages or voltage variations or surges,

ARTICLE 15 – CONTRACTOR’S COMPENSATION

15.1 Unit Prices

If any portion of the Construction Price is determined by the application of unit prices, the number of units contained in the CONTRACTOR’s compensation schedule is an estimate only, and the compensation to the CONTRACTOR shall be determined by the actual number of units incorporated in, or required by, the Work.

15.2 Schedule of Values

The CONTRACTOR shall prepare and present to the OWNER and the designated Professional the CONTRACTOR’s schedule of values, apportioning the different elements of the Work for purposes of periodic and final payment. The CONTRACTOR's schedule of values shall be presented in the format, and with such detail and supporting information, requested by the Professional or OWNER. The CONTRACTOR shall not imbalance or artificially inflate any element of its schedule of values. Upon the Professional and OWNER's acceptance, the schedule of values shall be used to process and pay the CONTRACTOR’s payment requests. The schedule of values shall not be changed without written change order authorized by the OWNER

15.3 Invoicing Procedures

In accordance with the procedures and requirements set forth in this Article and in Florida Statute 218.70, the CONTRACTOR shall invoice the OWNER and the OWNER shall pay the CONTRACTOR the Construction Price.

15.3.1 At least every thirty calendar days after commencement of performance, but no more frequently than once a month, the CONTRACTOR shall submit invoices to the Professional requesting payment for labor and services rendered during the preceding thirty calendar days. Each invoice shall contain such detail and be backed up with whatever supporting information the OWNER or a Professional requests and shall at a minimum state;

- (i) The total Construction Price;
- (ii) The amount due for properly provided labor, materials and equipment properly incorporated into the Project; and with respect to amounts invoiced for materials or equipment necessary for the Project and properly stored at the Site (or elsewhere if offsite storage is approved in writing by the OWNER), be accompanied by written proof that the OWNER has title to such materials or equipment and that such material and equipment is fully insured against loss or damage;

- 15.4.1 Within ten (10) days of submission by CONTRACTOR, the Professional will review the CONTRACTOR's applications for payment including such accompanying data, information and schedules as the Professional requires, to determine the amounts due to the CONTRACTOR and, based upon such review, together with its inspections of the Work, shall authorize payment by the OWNER to the CONTRACTOR in writing. Such authorization will constitute the Professional's certification to the OWNER that
 - (i) The work described in the CONTRACTORs invoice has progressed to the level indicated and has been performed in accordance with the Agreement;
 - (ii) All necessary and appropriate lien waivers and affidavits have been submitted; and
 - (iii) The amount requested is currently due and owing to the CONTRACTOR.
- 15.4.2 In the case of unit price work, the Professional's recommendations for payment will constitute a final determination of quantities and classifications of such work.
- 15.4.3 Payments shall be deemed timely if made by OWNER within twenty-one (21) days of receipt by OWNER of the Professional's authorization to make payment.

15.5 Owners Right To Refuse Payment

A Professional's approval of the CONTRACTOR's invoice shall not preclude the OWNER from exercising any of its remedies afforded by this Agreement. In the event of a dispute, payment shall be made on or before the payment date for amounts not in dispute, subject to any setoffs claimed by the OWNER. The OWNER shall have the right to refuse to make payment and, if necessary, may demand the return of a portion or all of the amount previously paid to the CONTRACTOR due to:

- (i) The CONTRACTOR's failure to perform the work in compliance with the requirements of this Agreement or any other agreement between the parties;
- (ii) The CONTRACTOR's failure to correctly and accurately represent the work performed in a payment request, or otherwise;
- (iii) The CONTRACTOR's performance of the work at a rate or in a manner that, in the OWNER's opinion, is likely to result in the Project or any portion of the Project being inexcusably delayed;
- (iv) The CONTRACTORs failure to use funds previously paid the CONTRACTOR by the OWNER, to pay the CONTRACTOR's Project-related obligations including, but not limited to, the CONTRACTOR's subcontractors, material men, and suppliers;
- (v) Claims made, or likely to be made, against the OWNER or its property;

- (vii) The CONTRACTOR's failure or refusal to perform any of its obligations to the OWNER.

15.6 Contractors Right To Refuse Performance For Non-Payment

If within twenty (20) calendar days from the date payment is due hereunder, the OWNER, without cause or basis hereunder, fails to pay the CONTRACTOR any amounts then due and payable to the CONTRACTOR, the CONTRACTOR shall have the right, in addition to all other rights and remedies contained herein, to cease performance of the work until receipt of proper payment after first providing fourteen calendar days written notice to the OWNER of its intent to cease work.

15.7 Correction Of Past Payments

All prior payments, whether based on estimates or otherwise, may be corrected and adjusted in any subsequent payment and shall be corrected and adjusted in the final payment. In the event that any invoice contains a defect or impropriety which would prevent timely payment, the OWNER shall notify the CONTRACTOR in writing of such defect or impropriety. Any disputed amounts determined by the OWNER to be payable to the CONTRACTOR shall be due twenty (20) calendar days from the date the dispute is resolved.

15.8 Interest on Outstanding Amounts Due

Interest shall accrue on amounts owed by the OWNER to the CONTRACTOR, which remain unpaid thirty calendar days following the date on which payment is due. Said interest shall accrue at the judgment rate then applicable in accordance with Florida statutes.

- 15.8.1 No interest shall accrue when payment is delayed because of a dispute between the OWNER and the CONTRACTOR, or a dispute as to the accuracy or completeness of any request for payment received. This exception to the accrual of interest shall apply only to that portion of a delayed payment, which is actually the subject of the dispute and shall apply only for the duration of such disagreement. Nor shall interest accrue on retainage, which is withheld to assure performance of this Agreement.

15.9 Invoice Warranties And Guarantees

The CONTRACTOR expressly warrants and guarantees to the OWNER that:

- (i) Title to all goods, products, materials, equipment and systems covered by an invoice will pass to the OWNER either by incorporation into the Work, or upon receipt of payment by the CONTRACTOR, whichever occurs first;
- (ii) All goods, products, materials, equipment and systems covered by an invoice are free and clear of liens, claims, security interests or encumbrances; and
- (iii) No goods, products, materials, equipment or systems covered by an invoice have been acquired by the CONTRACTOR, or its subcontractors or suppliers, subject to an agreement under which an interest therein or an encumbrance thereon is retained by the seller or otherwise imposed by the CONTRACTOR, or its subcontractors or suppliers.

15.10 Contractor's Signature

The signature of the CONTRACTOR on any invoice constitutes the CONTRACTOR's certification to the OWNER that (i) the CONTRACTOR's services listed in the invoice have progressed to the level indicated and have been performed as required by this Project Agreement; (ii) the CONTRACTOR has paid its subcontractors and suppliers their proportional share of all previous payments received from the OWNER and that its payments to such subcontractors and suppliers conforms with the requirements of applicable prompt payment statutes; and (iii) the amount requested is currently due and owing.

15.11 Taxes

The CONTRACTOR shall incorporate into the Construction Price, and pay, all sales, consumer, use and similar taxes for goods, products, materials, equipment and systems incorporated into the Work which were legally required at the time of execution of this Agreement, whether or not yet effective or merely scheduled to go into effect. The CONTRACTOR shall secure, defend, protect, hold harmless, and indemnify the OWNER from and against any and all liability, loss, claims, demands, suits, costs, fees and expenses (including actual fees and expenses of attorneys, expert witnesses, and other consultants) relating to any taxes assessed or imposed upon, incurred by or asserted against the OWNER by any taxing authority with respect to such taxes. The CONTRACTOR shall cooperate with and assist the OWNER in securing qualified refunds of any sales or use tax paid by the OWNER or CONTRACTOR on goods, products, materials, equipment or systems. Any refund secured shall be paid to the OWNER.

15.12 Compensation of Contractor's Subcontractors And Suppliers

Upon receipt of payment from the OWNER, the CONTRACTOR shall pay each of its subcontractors and suppliers out of the amount received by the CONTRACTOR on account of such subcontractor's or suppliers portion of the work, the amount to which each entity is entitled, reflecting percentages actually retained from payments to the CONTRACTOR on account of such entity's portion of the Work. The OWNER shall have no obligation to pay, and shall not be responsible for payments to, the CONTRACTOR's subcontractors or suppliers. However, the OWNER reserves the right, but has no duty, to make payment jointly to the CONTRACTOR and to any of its subcontractors or suppliers in the event that the OWNER becomes aware that the CONTRACTOR fails to pay or unreasonably withholds payment from one or more of those entities. Such joint check procedure, if employed by the OWNER, shall create no rights in favor of any person or entity beyond the right of the named payees to payment of the check and shall not be deemed to commit the OWNER to repeat the procedure in the future.

15.13 Final Payment

Prior to being entitled to receive final payment, and as a condition precedent thereto, the CONTRACTOR must achieve Final Completion. The OWNER shall, subject to its rights set forth above in this Article, make final payment of all sums due the CONTRACTOR within fourteen calendar days of a Professional's execution of a final approval for payment.

ARTICLE 16 - SCHEDULE REQUIREMENTS**16.1 Construction Schedule**

The construction schedule shall include all pertinent dates and periods for timely completion of the Work.

- 16.1.1 Unless otherwise directed and approved by the OWNER, the CONTRACTOR shall prepare and submit within thirty (30) days of Agreement execution, the Construction Schedule as a critical path schedule with separate divisions for each major portion of the Work or operations. The Construction Schedule shall include and properly coordinate dates for performance of all divisions of the Work, including completion of off-Site requirements and tasks, so that the work can be completed in a timely and orderly fashion consistent with the required dates of Substantial Completion and Final Completion.
- 16.1.2 The Construction Schedule shall include (i) the required commencement date, the required dates of Substantial Completion and Final Completion; (ii) any guideline and milestone dates required by the OWNER; (iii) any applicable subcontractor and supplier sub-schedules; (iv) a submittal schedule which allows sufficient time for review of documents and submittals; (v) the complete sequence of construction by activity, with dates for beginning and completion of each element of construction; and (vi) required decision dates.
- 16.1.3 By reviewing the Construction Schedule, the OWNER and a Professional do not assume any of the CONTRACTOR's responsibility (i) that the Construction Schedule be coordinated or complete; or (ii) for timely and orderly completion by the required dates of Substantial Completion, Final Completion and any milestone dates required by the OWNER.
- 16.1.4 The CONTRACTOR shall review, on a weekly basis, the actual status of the work against the Construction Schedule. The CONTRACTOR shall discuss the status of the work weekly with the designated Professional, so that proper overall management may be provided.
- 16.1.5 The CONTRACTOR shall periodically and in all instances when the CONTRACTOR anticipates that performance of the work will be delayed or in fact has been delayed, but not less frequently than monthly, prepare a revised Construction schedule and show actual progress of the Work through the revision date, projected completion of each remaining activity, activities modified since previous submittal, major changes in scope, and other identifiable changes. The updated Construction Schedule shall be accompanied by a narrative report which (i) states and explains any modifications of the critical path schedule, including any changes in logic; (ii) defines problem areas and lists areas of anticipated delays; (iii) explains the anticipated impact the problems and delays will have on the schedule and scheduled activities; (iv) reports corrective action taken or proposed; and (v) states how problems anticipated by projections shown on the schedule will be resolved to avoid delay in delivering the Work by the required dates of Substantial Completion and Final Completion, and other milestone dates required by the OWNER, if any.

16.2 Delay In Performance

If at any time the CONTRACTOR anticipates that performance of the work will be delayed or in fact has been delayed, the CONTRACTOR shall (i) within three (3) days notify the designated Professional in writing of the probable cause of and effect from the delay, and possible alternatives to minimize the delay; and (ii) take all corrective actions reasonably necessary to deliver the work by the required dates of Substantial Completion and Final Completion, and other milestone dates required by the OWNER, if any. In the event that corrective action is necessary to overcome delays caused by CONTRACTOR, then CONTRACTOR shall not be entitled to compensation for such

corrective action. In the event that corrective action is necessary to overcome delays caused by OWNER or those for whom the OWNER is responsible, then CONTRACTOR shall be entitled to an equitable adjustment for the reasonable costs of its corrective actions. In no event, however, shall CONTRACTOR be entitled to inefficiency costs arising from or related to such corrective action.

16.3 Modifications To Time For Performance

The CONTRACTOR shall determine and within seven (7) days of the circumstances giving rise to the claim, notify the OWNER and the Professional(s) in writing when it believes adjustments to the required dates of Substantial Completion or Final Completion, or other milestone dates required by the OWNER, if any, are necessary, but no such adjustments shall be effective unless approved in writing by the OWNER and Professional(s).

16.4 Early Completion

The CONTRACTOR may attempt to achieve Substantial Completion before the required date of Substantial Completion. However, such planned early completion shall be for the CONTRACTOR's sole convenience and shall not create any additional CONTRACTOR rights or OWNER obligations under this Agreement, nor shall it change the required dates of Substantial Completion or Final Completion. The OWNER shall not pay the CONTRACTOR any additional compensation for achievement of Substantial Completion or Final Completion prior to the required dates nor will the OWNER owe the CONTRACTOR any compensation should the OWNER cause the CONTRACTOR not to achieve substantial Completion earlier than the required date of Substantial Completion or Final Completion earlier than the required date of Final Completion.

16.5 Modification Dates of Substantial Completion or Final Completion

The CONTRACTOR may propose modifications to the required dates of Substantial completion or Final Completion. The OWNER may, but is not required to, accept the CONTRACTOR's proposal. Modification(s) of the required dates of Substantial Completion or Final Completion shall be accomplished only by duly authorized and accepted change order(s) stating the new date (s) with specificity and reciting that all references in this Agreement to the required dates of Substantial Completion or Final Completion shall thereafter refer to the date(s) as modified, and all rights and obligations, including the CONTRACTOR's liability for actual damages, delay damages and liquidated damages, shall be determined in relation to the date(s) as modified.

16.6 Document Review

The CONTRACTOR shall provide documents to the OWNER and Professional(s) for review in accordance with schedule requirements and with sufficient lead-time to allow the OWNER and Professional(s) reasonable time for review.

ARTICLE 17 - LIQUIDATED DAMAGES

17.1 Time Of The Essence

The parties hereto mutually understand and agree that time is of the essence in the performance of this Agreement and that the OWNER will incur damages if the Work is not completed on time. The CONTRACTOR shall at all times carry out its duties and responsibilities as expeditiously as possible and shall begin, perform and complete its services so that (i) the work progresses in accordance with

the Construction Schedule; (ii) the Work is Substantially Completed by the required date of Substantial Completion; and (iii) the Work is Finally Complete by the date of Final Completion.

17.2 Failure To Timely Achieve Completion

The parties hereto mutually understand and agree that the OWNER will sustain substantial monetary and other damages in the event of a failure or delay by the CONTRACTOR in the completion of the Work. If the CONTRACTOR inexcusably fails to achieve Substantial Completion by the required date of Substantial completion as established and previously set forth in this Agreement, the CONTRACTOR shall pay to the OWNER, as liquidated damages for delay and not as a penalty, the daily amount as specified in Agreement Form, Section 00500, 1.02D for each and every day after the required date of Substantial Completion until Substantial Completion is achieved. This liquidated damages provision shall apply and remain in full force and effect in the event that the CONTRACTOR is terminated by OWNER for default and shall apply until Substantial Completion has been achieved by any completing CONTRACTOR. If the CONTRACTOR fails to achieve Final Completion by the required date of Final Completion as established and previously set forth in this Agreement, the CONTRACTOR shall pay to the OWNER, as liquidated damages for delay and not as a penalty, the daily amount stated in Agreement Form, Section 00500, 1.02D for failure to timely achieve Substantial Completion, for each calendar day of unexcused delay in achieving Final Completion.

17.3 Compensable Delay

If the CONTRACTOR is delayed at anytime in the progress or performance of the work by (i) acts or omissions of the OWNER or Professional(s); or (ii) major changes ordered by the OWNER in the scope of Work, the CONTRACTOR shall give OWNER and the Professional written notice within seven (7) days of the circumstances giving rise to the delay. The Construction Schedule shall be extended for the period of such delay and CONTRACTOR's compensation shall be equitably adjusted to cover the CONTRACTOR's actual and direct increased costs attributable to such delay, but in no event shall CONTRACTOR be entitled to compensation for indirect, home office, or offsite overhead attributable to such delay.

17.4 Excusable Delay

If the CONTRACTOR is delayed at any time in the progress or performance of the Work by (i) fire; (ii) unusual delays in transportation; (iii) unusually severe and adverse weather conditions not reasonably anticipated by the CONTRACTOR and as demonstrated by comparison to climatological data; (iv) unavoidable casualties; (v) causes beyond the CONTRACTOR's control which were not reasonably anticipatable, the Construction Schedule shall be extended for a period equal to the length of such delay, but only if (a) such delay is not in any way caused by default or collusion on the part of the CONTRACTOR or by any cause which the CONTRACTOR could reasonably control or circumvent; (b) the CONTRACTOR would have otherwise been able to timely perform all of its obligations under this Agreement but for such delay; and (c) immediately but not later than seven calendar days after the beginning of any such delay the CONTRACTOR gives written notice of its delay claim to the OWNER. An extension of the Construction Schedule shall be CONTRACTOR's sole and exclusive remedy for such Excusable Delays. In no event shall CONTRACTOR be entitled to monetary compensation for Excusable Delays. Economic hardship or a shortage of craft labor shall not constitute the basis for an Excusable Delay.

17.5 Owner's Right To Withhold Payment

When it reasonably believes (i) that Substantial Completion will be inexcusably delayed; or (ii) that the CONTRACTOR will fail to achieve Final Completion by the date of Final Completion, the OWNER shall be entitled, but not required, to withhold from any amounts otherwise due the CONTRACTOR the daily amount specified for liquidated damages in this Article for each calendar day of the unexcused delay.

17.5.1 If and when the CONTRACTOR overcomes the delay in timely achieving Substantial Completion or Final Completion, or any part thereof, for which the OWNER has withheld payment, the OWNER shall promptly release to the CONTRACTOR those funds withheld, but no longer applicable, as liquidated damages.

17.5.2 Delay caused by labor disputes, picketing, employee boycotts, or the like which directly or indirectly involves employees of the CONTRACTOR or its subcontractors and suppliers is not the responsibility of the OWNER and will result in time extensions only if agreed to in writing by the OWNER at the time such events arise.

ARTICLE 18 - CONCEALED AND UNFORESEEN CONDITIONS

18.1 Notification Regarding Unusual Conditions

If (i) the CONTRACTOR encounters concealed and unforeseen conditions of an unusual nature which affect the performance of the Work; or (ii) the conditions vary from those indicated by the Construction Documents; and (iii) such conditions are not ordinarily found to exist or differ materially from those generally recognized as inherent in work of the character provided by the CONTRACTOR, the CONTRACTOR shall promptly, but in no event later than three calendar days after first observance of the conditions, notify in writing the appropriate Professional(s) and the OWNER before conditions are disturbed and give the Professional(s) or the OWNER opportunity to observe the condition in its undisturbed state.

18.1.1 The conditions will be promptly investigated and, if they differ substantially and cause a material increase or decrease in the CONTRACTOR's cost of, or time required for, performance of the Work, compensation or time for performance or both will be equitably adjusted.

18.1.2 All adjustments in compensation or extensions of time shall be by change order. Change order requests must be made within fourteen calendar days from the date of observation of the changed conditions.

18.1.3 The CONTRACTOR's failure to notify the Professional(s) and OWNER as provided in this Article shall constitute a waiver of any claim arising out of or relating to such concealed or unknown condition.

ARTICLE 19 – CONTRACTOR’S RECORDS

19.1 Preparation Of Records

The CONTRACTOR shall, concurrently with performance of its services, prepare substantiating records regarding services rendered and goods furnished.

19.2 Retention Of Records

The CONTRACTOR shall retain in its records copies of all (i) written communications; (ii) memoranda of verbal communications; (iii) accounting records (including original estimates and estimating work sheets, purchase orders and invoices); (iv) job site notes; (v) daily logs; (vi) reports; (vii) notices; (viii) all subcontract files (including proposals of successful and unsuccessful bidders); (ix) change order files (including documentation covering negotiated settlements); (x) written policies and procedures, (xi) records necessary to evaluate and verify direct and indirect costs (including by way of example overhead allocations, payroll records, time sheets, rental receipts, fixed asset records); and (xii) other documents such as plans, specifications, submittals, correspondence, minutes, memoranda, tape recordings, videos, accounting records, documents reflecting the unit price of construction and other writings or things which document the Project, its design, its cost and its construction.

19.2.1 The CONTRACTOR shall maintain substantiating records for five years after the date of Final Completion or for any longer period of time as may be required by law or good construction practice. If the CONTRACTOR receives notification of a dispute or the commencement of litigation regarding the Project within this five-year period, the CONTRACTOR shall continue to maintain all Project records until final resolution of the dispute or litigation.

19.2.2 The CONTRACTOR shall, upon seven days request from the OWNER, secure from its subcontractors and suppliers copies of (i) written communications; (ii) memoranda of verbal communications; (iii) accounting records (including original estimates and estimating work sheets, purchase orders and invoices); (iv) job site notes; (v) daily logs; (vi) reports; (vii) notices; (viii) all subcontract files (including proposals of successful and unsuccessful bidders); (ix) Change Order files (including documentation covering negotiated settlements); (x) written policies and procedures, (xi) records necessary to evaluate and verify direct and indirect costs (including overhead allocations), and (xii) other documents generated with respect to the Project.

19.3 Access to Records

Upon the request of the OWNER, the CONTRACTOR shall make its records available during normal business hours to the OWNER, its authorized representative(s) or to any state, federal or other regulatory authority. Any such authority, the OWNER and its authorized representative(s) shall be entitled to inspect, examine, review and copy the CONTRACTORs records at the copying party's reasonable expense, within adequate work space at the CONTRACTOR's facilities. Failure by the CONTRACTOR to supply substantiating records from itself and its subcontractors and suppliers upon the request of the OWNER shall be reason to exclude the related costs from amounts which might otherwise be payable by the OWNER pursuant to this Agreement.

ARTICLE 20 - PROPRIETARY DOCUMENTS AND CONFIDENTIALITY

20.1 Nature And Use Of Information

All Information, documents, and electronic media furnished by the OWNER to the CONTRACTOR (i) belong to the OWNER; (ii) are proprietary and confidential; (iii) are furnished solely for use on the OWNERs Project; (iv) shall be kept confidential by the CONTRACTOR; and (v) shall not be

used by the CONTRACTOR on any other project or in connection with any other person or entity, unless disclosure or use thereof in connection with any matter other than services rendered to the OWNER hereunder is specifically authorized in writing by the OWNER in advance. The OWNER hereby grants to the CONTRACTOR a limited license to use and reproduce applicable portions of the Construction Documents necessary for execution of the work. All copies made under this license shall bear the statutory copyright notice, if any, shown on the documents.

20.2 Ownership Of Information

All Information, documents, and electronic media prepared by or on behalf of the CONTRACTOR for the Project are the sole property of the OWNER free of any retention rights of the CONTRACTOR. The CONTRACTOR hereby grants to the OWNER an unconditional right to use, for any purpose whatsoever, any information documents or electronic media prepared by or on behalf of the CONTRACTOR for the project, free of any copyright claims, trade secrets or other proprietary rights with respect to such documents.

20.3 Disclosure Of Information

The CONTRACTOR shall not disclose any information it receives from the OWNER to any other person or entity except to the extent necessary to allow it to perform its duties under this Agreement.

20.4 Instructions To Employees

Because it is difficult to separate proprietary and confidential information from that which is not, the CONTRACTOR shall instruct its employees and agents to regard all information which is not in the public domain as information which is proprietary and confidential.

20.5 Non-Publication

Submission or distribution of documents to meet official regulatory requirements or for other required purposes in connection with the Project is not to be construed as publication in derogation of the OWNER's common law copyrights or other reserved rights.

ARTICLE 21 - GENERAL INSURANCE REQUIREMENTS

21.1 General Insurance Requirements

CONTRACTOR shall be required to obtain insurance as required in Section 00640. Unless otherwise required, each insurance policy:

- (i) Shall be issued by an insurance carrier acceptable to the OWNER;
- (ii) Shall be kept in force throughout performance of the CONTRACTOR's services and for one year after the end of such performance;
- (iii) Shall be an occurrence policy; and
- (iv) Shall be evidenced by a certificate of insurance acceptable to the OWNER which provides that the coverage evidenced thereby shall not be substantially modified or canceled without thirty (30) days' prior written notice to the OWNER.

21.2 Certificates Of Insurance

Prior to performance of services on the Project, the CONTRACTOR shall (i) have all required insurance coverage in effect; and (ii) deliver to the OWNER certificates of insurance for all its required minimum insurance coverage. The CONTRACTOR shall (i) require that its subcontractors and suppliers have similar coverage in effect, and prior to the performance of any services on the Project by the CONTRACTOR's subcontractors and suppliers, and (ii) shall ensure that all required insurance coverages of its subcontractors and suppliers are in effect. The OWNER shall have no responsibility to verify compliance by the CONTRACTOR or its subcontractors and suppliers. Upon the request of the OWNER, the CONTRACTOR shall provide copies of policies for all required insurance coverage.

21.3 Effect Of Insurance

Compliance with insurance requirements shall not relieve the CONTRACTOR of any responsibility to indemnify the OWNER for any liability to the OWNER as specified in any other provision of this Agreement and the OWNER shall be entitled to pursue any remedy in law or equity if the CONTRACTOR fails to comply with the contractual provisions of this Agreement. Indemnity obligations specified elsewhere in this Agreement shall not be negated or reduced by virtue of any insurance carrier's (i) denial of insurance coverage for the occurrence or event which is the subject matter of the claim; or (ii) refusal to defend any named insured.

21.4 Waiver Of Subrogation

The CONTRACTOR hereby releases and discharges the OWNER and the OWNER's Related Parties of and from all liability to the CONTRACTOR, and to anyone claiming by, through or under the CONTRACTOR, by subrogation, or otherwise, on account of any loss or damage to tools, machinery, equipment or other property, however caused.

ARTICLE 22 - GENERAL BOND REQUIREMENTS

22.1 General Bond Requirements

If the CONTRACTOR is required to provide performance and payment bond(s), the penal sum of each bond shall be in an amount not less than the Construction Price, as adjusted by any change order(s), and each bond shall:

- (i) Be in a form approved by the OWNER (see Section 00610 and Section 00620) and in compliance with applicable law;
- (ii) Incorporate by reference the terms of this Agreement;
- (iii) Be executed by a company certified by the secretary of the United States Department of Treasury pursuant to the Act of July 30, 1947 (61 Stat 646, as amended; 6 U.S.C. 6-13);
- (iv) Be executed by a company licensed and authorized to do business in the state of Florida;
- (v) Be recorded with the Clerk of the Court for Seminole County; and

- (vi) Be accompanied by a power of attorney certifying that the person(s) executing the bond have the authority to do so.

22.2 Delivery Of Bonds

The CONTRACTOR shall deliver any required bond(s) and power(s) of attorney to the OWNER prior to commencement of the Work.

ARTICLE 23 – OWNER’S RIGHT TO STOP WORK

23.1 Cease And Desist Order

If the CONTRACTOR fails or refuses to perform or fails to correct defective Work as required, or persistently fails to carry out the work in accordance with the Agreement, the OWNER may, by written notice, order the CONTRACTOR to cease and desist in performing the work or any portion of the Work until the cause for the order has been eliminated to the satisfaction of the OWNER. Upon receipt of such instruction, the CONTRACTOR shall immediately cease and desist as instructed by the OWNER and shall not proceed further until the cause for the OWNER's order has been corrected, no longer exists, or the OWNER instructs that the Work may resume.

23.1.1 The CONTRACTOR shall not be entitled to an adjustment in the time for performance or the Construction Price under this clause since such stoppages are considered to be the fault of the CONTRACTOR.

23.1.2 The right of the OWNER to stop work shall not give rise to a duty on the part of the OWNER to exercise this right for the benefit of the CONTRACTOR or others.

23.1.3 In the event the OWNER issues instructions to cease and desist, and in the further event that the CONTRACTOR fails and refuses within seven calendar days to provide adequate assurance to the OWNER that the cause of such instructions will be eliminated or corrected, then the OWNER shall have the right, but not the obligation, to carry out the Work or any portion of the Work with its own forces, or with the forces of another CONTRACTOR, and the CONTRACTOR shall be responsible for the cost of performing such Work by the OWNER.

23.1.4 The rights set forth herein are in addition to, and without prejudice to, any other rights or remedies the OWNER may have against the CONTRACTOR.

ARTICLE 24 - TERMINATION OR SUSPENSION OF AGREEMENT

24.1 Termination For Cause By Owner

24.1.1 The OWNER may terminate this Agreement for cause if the CONTRACTOR materially breaches this Agreement by:

- (i) Refusing, failing or being unable to properly manage or perform on any Project;

- (ii) Refusing, failing or being unable to supply the Project with sufficient numbers of workers, properly skilled workers, proper materials, or maintain applicable schedules;
- (iii) Refusing, failing or being unable to make prompt payment to subcontractors or suppliers;
- (iv) Disregarding laws, ordinances, rules, regulations or orders of any public authority or quasi-public authority having jurisdiction over the Project;
- (v) Refusing, failing or being unable to substantially perform in accordance with the Agreement as determined by the OWNER, or as otherwise defined elsewhere herein, or
- (vi) Refusing, failing or being unable to substantially perform in accordance with the terms of any other agreement between the OWNER and CONTRACTOR;
- (vii) Failing to maintain all required insurance policies and bonds during any time the Agreement is being performed.

24.1.2 Upon the occurrence of any of the events described in Paragraph 24.1.1, the OWNER may give written notice to the CONTRACTOR setting forth the nature of the default and requesting cure within seven calendar days from the date of notice. At any time thereafter, if the CONTRACTOR fails to initiate the cure or if the CONTRACTOR fails to expeditiously continue such cure until complete, the OWNER may give written notice to the CONTRACTOR of immediate termination, and the OWNER, without prejudice to any other rights or remedies, may take any or all of the following actions:

- (i) Complete all or any part of the Work, including supplying workers, material and equipment which the OWNER deems expedient to complete the Work;
- (ii) Contract with others to complete all or any part of the work, including supplying workers, material and equipment which the OWNER deems expedient to complete the work;
- (iii) Take such other action as is necessary to correct such failure;
- (iv) Take possession of all materials, tools, construction equipment and machinery on the Site owned or leased by the CONTRACTOR;
- (v) Directly pay the CONTRACTOR's subcontractors and suppliers compensation due to them from the CONTRACTOR;
- (vi) Finish the Work by whatever method the OWNER may deem expedient; and
- (vii) Require the CONTRACTOR to assign the CONTRACTOR's right title and interest in any or all of CONTRACTOR's subcontracts or orders to the OWNER.

24.1.3 If the OWNER terminates the Agreement for cause, and the OWNER takes possession of all materials, tools, construction equipment and machinery on the Site owned or leased by the CONTRACTOR, the CONTRACTOR's compensation shall be increased by fair payment

either by purchase or rental at the election of the OWNER, for any materials, tools, construction equipment and machinery items retained, subject to the OWNER's right to recover from the CONTRACTOR the OWNER's damages resulting from the termination.

- 24.1.4 If the OWNER terminates this Agreement for cause, and it is subsequently determined by a court of competent jurisdiction that such termination was without cause, then in such event said termination shall be deemed a termination for convenience as set forth in paragraph 24.3.

24.2 Termination For Cause By Contractor

- 24.2.1 The CONTRACTOR may terminate this Agreement for cause if the OWNER materially breaches this Project Agreement by:

- (i) Refusing, failing or being unable to make prompt payment to the CONTRACTOR without just cause;
- (ii) Disregarding laws, ordinances, rules, regulations or orders of any public authority or quasi-public authority having jurisdiction over any Project; or
- (iii) Refusing or failing or being unable to substantially perform in accordance with the terms of this Agreement.

- 24.2.2 Upon the occurrence of any of the events described in Paragraph 24.2.1, the CONTRACTOR may give written notice to the OWNER setting forth the nature of the default and requesting cure within seven calendar days from the date of notice, if the OWNER fails to cure the default within seven calendar days, the CONTRACTOR, without prejudice to any rights or remedies, may give written notice to the OWNER of immediate termination.

24.3 Termination Or Suspension For Convenience

The OWNER may at any time give written notice to the CONTRACTOR terminating this Agreement or suspending the Project, in whole or in part, for the OWNER's convenience and without cause. If the OWNER suspends the Project for convenience, the CONTRACTOR shall immediately reduce its staff, services and outstanding commitments in order to minimize the cost of suspension.

24.4 Contractor's Compensation When Contractor Terminates For Cause or Owner Terminates For Convenience

If this Construction Agreement is (i) terminated by the CONTRACTOR pursuant to Paragraph 24.2; (ii) terminated by the OWNER pursuant to Paragraph 24.3; or (iii) suspended more than three months by the OWNER pursuant to Paragraph 24.3, the OWNER shall pay the CONTRACTOR specified amounts due for work actually performed prior to the effective termination date and reasonable costs associated with termination. The OWNER may agree to additional compensation, if any, due to the CONTRACTOR. Absent agreement on the additional amount due the CONTRACTOR, the OWNER shall pay the CONTRACTOR:

- (i) Reasonable costs incurred in preparing to perform the terminated portion of the work, and in terminating the CONTRACTOR's performance, plus a fair and reasonable allowance for overhead and profit thereon (such profit shall not include anticipated profit on work not performed or consequential damages); provided, however, that if it appears that the CONTRACTOR would not have profited or would have sustained a loss if the work had

been completed, no profit shall be allowed or included, and the amount of compensation shall be reduced to reflect the anticipated rates of loss, if any; and

- (ii) Reasonable costs of settling and paying claims arising out of the termination of subcontracts or supplier orders. These costs shall not include attorneys fees and amounts paid in accordance with other provisions hereof.

24.5 Contractor's Compensation When Owner Terminates For Cause

If this Agreement is terminated by the OWNER for cause pursuant to Paragraph 24.1, no further payment shall be made to the CONTRACTOR until Final Completion of the Project. At such time, the CONTRACTOR shall be paid the remainder of the construction Price less all costs and damages incurred by the OWNER as a result of the default of the CONTRACTOR, including liquidated damages, remediation completion expenses and damages applicable thereto. The CONTRACTOR shall additionally reimburse the OWNER for any additional costs or expenses incurred.

24.6 Limitation On Termination Compensation

Regardless of the reason for termination or the party terminating, the total sum paid to the CONTRACTOR shall not exceed the Contract Construction Price, as properly adjusted, reduced by the amount of payments previously made and penalties or deductions incurred pursuant to any other provision of this Agreement, and shall in no event include duplication of payment.

24.7 Contractor's Responsibility upon Termination

Regardless of the reason for termination or the party terminating, if this Agreement is terminated, the CONTRACTOR shall, unless notified otherwise by the OWNER,

- (i) Immediately stop work;
- (ii) Terminate outstanding orders and subcontracts;
- (iii) Settle the liabilities and claims arising out of the termination of subcontracts and orders; and
- (iv) Transfer title and deliver to the OWNER such completed or partially completed work, and, if paid for by the OWNER, materials, equipment, parts, fixtures, information and such contract rights as the CONTRACTOR has.

ARTICLE 25 - APPLICABLE LAW AND DISPUTE RESOLUTION

25.1 Applicable State Law

This Agreement shall be deemed to be entered into in and shall be interpreted under the laws of the state in which the Project is located.

25.2 Court Actions

Except as expressly prohibited by law:

- (i) All legal actions hereunder shall be conducted only in state court or federal court districts where the Project is located and having subject matter jurisdiction over the matter in controversy; except that any final judgment may be enforced in other jurisdictions in any manner provided by law;
- (ii) The choice of jurisdiction and venue described in the preceding paragraph shall be mandatory and not permissive in nature, thereby precluding the possibility of litigation or trial in any jurisdiction or venue other than that specified herein;
- (iii) The parties waive any right to assert the doctrine of forum non conveniens or to object to venue; and
- (iv) The parties unequivocally waive any right to a jury trial, and agree that all legal actions shall be tried, both as to factual and legal issues, only to the Court.

25.3 Mutual Discussion

In case of any dispute, claim, question or disagreement arising from or relating to the Project or arising out of this Agreement or the breach thereof, the parties shall first attempt resolution through mutual discussion.

25.4 Mediation

If the parties cannot resolve any dispute, claim, question, or disagreement arising from or relating to the Project or arising out of this Agreement or the breach thereof through mutual discussion, as a condition precedent to any litigation, the parties shall in good faith participate in private, non-binding mediation seeking a just and equitable solution satisfactory to all parties.

- 25.4.1 All parties to a mediation shall promptly provide all other parties to the mediation with copies of essential documentation relevant to the support or defense of the matter being mediated.
- 25.4.2 The parties shall not be required to mediate for a period greater than ninety-one calendar days unless otherwise agreed to in writing by the parties. The parties shall share equally any administrative costs and fees of such proceedings, but shall each be responsible for their own expenses otherwise incurred.
- 25.4.3 In the event that the statute of limitations would run during the required mediation period, either party may institute litigation so as to avoid the running of such statute upon the condition that such party immediately seek a stay of such litigation pending the conclusion of the mediation period.
- 25.4.4 During the course of mediation, any party to the mediation may apply for injunctive relief from any court of competent jurisdiction until the mediation period expires or the dispute is otherwise resolved.
- 25.4.5 The OWNER, the Professional(s), the CONTRACTOR, and any other parties involved in any way in the design or construction of the Project are bound, each to each other, by this requirement to mediate prior to commencement of any litigation, provided that they have signed this Agreement or an agreement that incorporates this Agreement by reference or signed any other agreement which binds them to mediate. Each such party agrees that it may be joined as an additional party to a mediation involving other parties under any such agreement, in the case where more than one mediation is begun under any such agreement and any party contends that the mediations are substantially related, the mediations may be conducted by the mediator selected in the first mediation which was commenced.

25.5 Conflicting Dispute Resolution Provisions

Neither party to this Agreement shall enter into any contract with regard to the Project which directly or indirectly gives the right to resolve any dispute with, involving, or affecting the other to any other person or legal entity which is in conflict with the dispute resolution procedures required by this Article.

25.6 Arbitration Preclusion

In case of a dispute relating to the Project, or arising out of this Agreement, no party to this Project Agreement shall be required to participate in or be bound by, any arbitration proceedings.

25.7 Performance During Dispute Resolution

The OWNER and the CONTRACTOR agree that pending the resolution of any dispute, controversy, or question, the OWNER and the CONTRACTOR shall each continue to perform their respective obligations without interruption or delay, and the CONTRACTOR shall not stop or delay the performance of the work.

ARTICLE 26 - DAMAGES AND REMEDIES

26.1 Contractor's Repair

The CONTRACTOR shall, at its expense, promptly correct, repair, or replace all goods, products, materials, systems, labor and services which do not comply with the warranties and guarantees set forth in this Agreement, or any other applicable warranty or guarantee.

26.2 Contractor's Reimbursement

The CONTRACTOR shall promptly reimburse the OWNER for any expenses or damages incurred by the OWNER as a result of (i) the CONTRACTOR's failure to substantially perform in accordance with the terms of this Agreement; (ii) deficiencies or conflicts in the Construction Documents attributable to the CONTRACTOR or of which the CONTRACTOR was or should have been aware; (iii) breach of the warranties and guarantees set forth in this Agreement or any other applicable warranty or guarantee; or (iv) other acts or omissions of the CONTRACTOR.

26.3 General Indemnity

To the fullest extent permitted by law the CONTRACTOR shall secure, defend, protect, hold harmless, and indemnify the OWNER and the OWNER's Related Parties from and against any and all liability, loss, claims, demands, suits, costs, fees and expenses (including actual fees and expenses of attorneys, expert witnesses, and other consultants), by whomsoever brought or alleged, and regardless of the legal theories upon which premised, including, but not limited to, those actually or allegedly arising out of bodily injury to, or sickness or death of, any person, or property damage or destruction (including loss of use), which may be imposed upon, incurred by or asserted against the OWNER or the OWNER's Related Parties allegedly or actually arising out of or resulting from the CONTRACTOR's services, including without limitation any breach of contract or negligent act or omission or willful misconduct (i) of the CONTRACTOR; or (ii) of the CONTRACTOR's subcontractors or suppliers, or (iii) of the agents, employees or servants of the CONTRACTOR or its subcontractors or suppliers.

26.3.1 To the fullest extent permitted by law, the CONTRACTOR, for itself and for its subcontractors and suppliers, and the respective agents, employees and servants of each, expressly waives any and all immunity or damage limitation provisions available to any agent, employee or servant under any workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts, to the extent such statutory or case law would otherwise limit the amount recoverable by the OWNER or the OWNERs Related Parties pursuant to the indemnification provision contained in the paragraph above.

26.4 Intellectual Property Indemnity

To the fullest extent permitted by law, the CONTRACTOR shall defend, protect hold harmless, and indemnify the OWNER and the OWNER's Related Parties from and against any and all liability, loss, claims, demands, suits, costs, fees and expenses (including actual fees and expenses of attorneys, expert witnesses, and other consultants), by whomsoever brought or alleged, for infringement of patent rights, copyrights, or other intellectual property rights, except with respect to designs, processes or products of a particular manufacturer expressly required by the OWNER or professional(s) in writing. If the CONTRACTOR has reason to believe the use of a required design, process or product

is an infringement of a patent, the CONTRACTOR shall be responsible for such loss unless such information is promptly given to the OWNER.

26.5 Non-Exclusivity Of Owners Remedies

The OWNER's selection of one or more remedies for breach of this Agreement contained herein shall not limit the OWNER's right to invoke any other remedy available to the OWNER under this Agreement or by law.

26.6 Waiver Of Damages

CONTRACTOR and OWNER shall not be entitled to, and hereby waives any monetary claims for or damages arising from or related to, indirect, lost profits, incidental, lost business opportunities, unabsorbed overhead, punitive, or any consequential damages of whatever nature each may have against the other.

26.7 Interest

The OWNER is entitled to interest on all amounts due from the CONTRACTOR that remain unpaid thirty days after the amount is deemed due, whether as a result of a resolution of a dispute or otherwise. Any such interest shall be calculated by the same method as set forth in Paragraph 15.8.

ARTICLE 27 - MISCELLANEOUS PROVISIONS
