MONKEYING AROUND TOWN

DISCOVER THESE PALM BEACH MUST-SEES ON ONE OF OUR ICONIC BEACH CRUISERS...

- 1. THE COLONY HOTEL** Palm Beachers have treasured this historic and pink-colored destination for generations. The fashionable continue to flock to this intimate resort for its chic bars and restaurants (not to mention its exclusive events and scene).
- 2. CLOCK TOWER** Wave to the ocean from this iconic (and Instagramable) site, which is situated on one end of Palm Beach's Worth Avenue. Free selfie, included.
- 3. WORTH AVENUE** This scenic street—which stretches from the Atlantic Ocean to Lake Worth—is decorated with flowers and palm trees. Here, in the heart of Palm Beach, is a world-class collection of brands and restaurants.
- 4. THE EVERGLADES CLUB** Architect Addison Mizner and Paris Singer collaborated to introduce this member's club in 1919. It has, since, become so storied for its architecture as for being impossibly exclusive and stylish.
- 5. FLAGLER MUSEUM** Henry Morrison Flagler commissioned the firm Carrère and Hastings to create this grand and marble-covered mansion in 1902. The "Whitehall" estate is, now, a museum that continues to celebrate the Gilded Age.
- 6. ROYAL POINCIANA PLAZA** This chic and retail-centric oasis is located 1.5 miles from the hotel's doors. It's sprinkled with fashionable stores as well as fitness studios and restaurants (like Palm Beach Grill and Sant Ambroeus).
- 7. THE PALM BEACH LAKE TRAIL** Ride this 1.5-mile (and car-free) route on one of our custom branded beach cruisers. This excursion is recommended for families—or, for those who want a glance at Palm Beach's most fabulous estates.
